## SKILLS

<b>Languages</b>	JavaScript, TypeScript, Java, SQL, HTML, CSS
<b>Tools</b>	VS Code, Git, Github, Figma, Photoshop, Android Studio
<b>Other Technologies</b>	Node, Express, Socket.IO, MySQL, MongoDB

## PROJECTS

- TravelMeet** - JavaScript, Node, Express, Tailwind CSS, Socket.IO, Mapbox GL JS, Turf, MySQL, Prisma, Passport.js, Swiper API, Redis, EJS, Google API's, AWS S3, Ticketmaster API. (2023)
- Developed a social media web application for travelers. While exploring the interactive map, users can find local events, buy tickets, create groups, or meet locals that share their location in real-time.
- Portfolio Website** - HTML, CSS, JavaScript, Swiper API, Netlify (2023)
- Developed a responsive personal website to display my work
- Real-time Photo Feed** - JavaScript, Node, EJS, HTML, CSS, Socket.IO (2022)
- Implemented the photo upload functionality with the Formidable module.
  - Added the support for real-time photo feed by using the Socket.IO library.
- BluetoothTimer** - Java, Android Studio, Android Bluetooth API (2020)
- Developed an Android application that allows users to set a timer that automatically turns off the Bluetooth adapter.
- BillTracker** - Java, Android Studio, MPAndroidChart Library, SharedPreferences API (2019)
- Built an Android mobile application to keep track of the bills.
  - Used MPAndroidChart Library to display a summary of bills on the pie chart.
  - Utilized SharedPreferences to create temporary storage for the application data.

## WORK EXPERIENCE

### Milestone Automation Solutions Inc.

Automation Technician, Full-time Mississauga, ON (02/2019 - 07/2022)

- Updated the PLC programs for small-scale industrial machines that increased the overall quality of goods produced by the automated system.
- Troubleshoot the industrial electrical panels and eliminated the issues in various types of automated systems, resulting in reduced downtime.
- Installed and configured electronic and electrical control components as the retrofit or within a newly built automated system.

### Skiis & Biikes

E-Commerce Team Member, Part-time Mississauga, ON (11/2020 - 01/2021)

- Accurately fulfilled Shopify, Amazon, and eBay online orders, by utilizing quickly learned E-commerce and inventory management software.
- Resolved customer order inquiries or requests for information and maintained the shipments preparations while working in a team
